

Terms of Service

I. Scope

1. These general terms and conditions apply to all contracts concluded with the LÉGÈRE HOTEL and LÉGÈRE EXPRESS, a hotel of FIBONA GmbH, Humboldtstrasse 6, 65189 Wiesbaden (hereinafter referred to as "Hotel"). Terms and conditions other than those of the hotel shall not become part of the contract, even if the hotel does not expressly contradict them.
2. The subletting or re-letting of the rooms and conference areas as well as their use for purposes other than the usual or agreed purposes are not permitted and require the hotel's prior written consent.

II. Conclusion of the contract

1. The accommodation contract is closed when the hotel accepts the customer's reservation. In the case of a reservation via the website, the accommodation contract is also concluded when the hotel accepts the reservation. This applies accordingly to any extras booked.
2. The contract for the rental of conference space and the agreement of further services for the execution of events is concluded when the customer returns the signed offer within the option period noted on the offer. During this option period, the hotel reserves the conference space for the customer. If the option period expires without acceptance by the customer, no contract is concluded.
3. Offers that do not include an option date are non-binding and there is no entitlement to a reservation.
4. If, when renting conference space, it turns out that either the customer has misled about the real purpose of an event or has failed to provide information about essential circumstances and it is unreasonable for the hotel to be bound to the contract, in particular because of the security or reputation of the Hotels in the public can be endangered, the hotel can withdraw from the contract for the rental of conference space.

III. Services, prices, payment, offsetting, price adjustment

1. The hotel is obliged to keep the rooms and conference areas reserved by the customer available and to provide the agreed services.
2. The agreed prices include the taxes and local charges applicable at the time of the conclusion of the contract. Not included are local taxes, which are owed by the guest according to the respective local law, such as visitor's tax.
In the event of a change in the statutory value added tax or the introduction, amendment or abolition of local levies on the object of performance after conclusion of the contract, the prices shall be adjusted accordingly. In the case of contracts with consumers, this shall only apply if the period between conclusion and performance of the contract exceeds four months.
3. If the customer wishes a change in the service after the conclusion of the contract, for example changes in the number of rooms booked, the number of participants in an event, the hotel's services or the length of stay of the guests, this change request only becomes part of the contract if the hotel confirms.
4. Unless otherwise stipulated, the hotel's invoices are payable and due immediately and without any deductions. The hotel is entitled to request an appropriate advance payment or security deposit upon conclusion of the contract or thereafter. The amount of the advance payment and the payment dates are set out in the offer, on the booking page or in the contract for renting conference space.
5. The customer can only offset an undisputed or legally binding claim against a claim by the hotel.
6. The customer agrees that the invoice can be sent to him electronically.
7. In respect of contractors with continuing obligations, e.g. recurring booking of conference space, prices shall be automatically adjusted at the beginning of each year in accordance with the change in the consumer price index published by the Federal Statistical Office if the change in the index published for the previous year is above +2.0% or below -2.0%.

IV. Guarantee of an individual room reservation

1. Reservations with an arrival after 6:00 p.m. must be guaranteed for a late arrival. A guaranteed reservation is held until 12:00 noon on the day following the day of arrival.
2. To ensure a guarantee, an advance payment is required, e.g. by means of a valid credit card or a written guarantee confirmation from the company (only for group reservations).
3. The amount depends, especially on the length of stay. At the end of the stay, the deposit / reservation will either be offset against the guest's outstanding debts or paid out. The credit card reservation, if it is not converted into a payment, usually expires after an average of 14 days. Depending on the card-issuing bank, this can also be made earlier or later.

V. Cancellation and no-show

Cancellations of individual reservations have to be made either online via the booking page or by email to the booked hotel. Group reservations must be made in writing. If a cancellation is not submitted in time, the price agreed in the booking confirmation must be paid even if the customer does not make use of the contractual services. This does not apply (i) in cases of default by the hotel, (ii) an impossibility of rendering the service for which the hotel is responsible or (iii) insofar as the hotel can also render the service to third parties.

If a right of withdrawal has not been agreed or has already expired and there is also no statutory right of withdrawal or termination, the hotel retains the claim to the agreed remuneration despite the non-utilization of the service. The hotel shall credit the income from renting the rooms to other parties as well as the saved expenses. If the rooms are not rented to other parties, the hotel may make a lump-sum deduction for saved expenses. In this case, the customer is obligated to pay 90% of the contractually agreed price for overnight stays with or without breakfast as well as for package arrangements with third-party services, 70% for half-board and 60% for full-board arrangements. The customer is free to prove that the aforementioned claim did not arise or did not arise in the amount demanded.

VI. Individual room reservation (single reservation)

1. Individual reservations might be canceled free of charge no later than 6:00 p.m. on the day of arrival. For cancellations after 6 p.m., a cancellation fee of 90% of the rate of the first night, booked with or without breakfast, will be charged.

It is also not possible to change the reservation dates.

VII. Event reservation, group reservation

1. If a deadline for cancellation has been agreed in writing between the customer and the hotel, the customer can withdraw from the contract until then without any claims for payment or damages. The hotel is entitled to amend these terms and conditions vis-à-vis corporate customers if this is necessary due to developments that were not foreseeable at the time the contract was concluded, which are not within the hotel's sphere of influence and which the hotel also did not cause, in order to re-establish the relationship of equivalence that existed between the contracting parties at the time the contract was concluded and essential regulatory contents of the contract (e.g. type and scope of the contractually owed service, termination) are not affected by this. Changes to these terms and conditions are also permissible if difficulties arise in the execution of the contract caused by gaps in these terms and conditions, e.g. as a result of jurisdiction deeming a clause to be invalid.
